And I dont want ya, and I dont need ya
Dont bother to resist, or Ill beat ya
Its not your fault that youre always wrong
The weak ones are there to justify the strong
The beautiful people, the beautiful people
Its all relative to the size of your steeple
You cant see the forest for the trees
You cant smell your own shit on your knees
Well theres no time to discriminate
Hate every motherfucker thats in your way
Hey? you? what do you see?
Something beautiful, something free
Hey? you? are you trying to be mean
You live with apes man its hard to be clean
The worms will live in every host
Its hard to pick which one they eat most
The horrible people the horrible people
Its all anatomic as the size of your steeple
Capitalism has made it this way
Old-fashioned fascism
Will take it away
Hey? you? what do you see?
Something beautiful, something free
Hey? you? are you trying to be mean
You live with apes man its hard to be clean
Well theres no time to discriminate
Hate every motherfucker thats in your way
