I...Don't wanna know you name
But I...Do want your private number baby

All I know is that to me
You look like you're lots of fun
Open up your lovin' arms
I want some, want some

I set my sights on you (And no one else will do)
And I, I, I, I...got to have my way now baby

All I know is that to me
You look like you're lots of fun
Open up your loving arms
Watch out here I come

You spin me right round, baby right round
Like a record, baby right round round round
You spin me right round, baby right round
Like a record, baby right round round round

I...don't wanna be your friend now baby
But I...wanna move it just a little bit closer

All I know is that to me
You look like you're lots of fun
Open up your loving arms
Watch out here I come

You spin me right round, baby right round
Like a record, baby right round round round
You spin me right round, baby right round
Like a record, baby right round round round

All I know is that to me
You look like you're lots of fun
Open up your loving arms
Watch out here I come

You spin me right round, baby right round
Like a record, baby right round round round

You spin me right round, baby right round
Like a record, baby right round round round
