Boy: I was baby-sitting my little cousin, and his father has these, this little stash of these little women magazines and everything. And I made him his like really down and little child.

Man: How old was he?

Boy: 6/ 7

Man: Uh huh

Boy: Really tiny and small and innocent and he showed me the magazines, where they were, and we were looking at them, and then, I played with his little innocent penis and I made him dance with me.

Man: Did you get a hard on?

Boy: Somewhat, it was kind of impossible.

Man: How did that make you feel?

Boy: At the time...

Man Did you feel like you were doing something wrong or did you like it?

Boy: Both. I felt very powerful. Actually.

Man: What else did you do with him?

Boy: I orally gratified and whatever.

Man: Did you suck his dick?

Boy: Yes. I just made him do things to me.

Man: What did he do to you? Did you make him touch you or what did you make him do?

Boy: I made him do all of those things.

Man: Hmm?

Boy: I made him do all of those things.

Man: Do you want to be punished now for being bad?

Boy: Umm, hmm.

Man: Go give me your belt
