You built me up with your wishing hell
I didn't have to sell you
You threw your money in the pissing well
You do just what they tell you

Repent, that's what I'm talking about
I shed the skin to feed the fake
Repent, that's what I'm talking about
Whose mistake am I anyway?

Cut the head off
Grows back hard
I am the Hydra
Now you'll see your star

Prick your finger it is done
The moon has now eclipsed the sun
Angel has spread it's wings
The time has come for bitter things

Prick your finger it is done
The moon has now eclipsed the sun
Angel has spread it's wings
The time has come for bitter things

Repent, that's what he's talking about
I shed the skin to feed the fake
Repent, that's what he's talking about
Whose mistake am I anyway?
Cut the head off
Grows back hard
I am the Hydra
Now you'll see your star

Time has come it is quite clear
Our Antichrist is almost here
Time has come it is quite clear
Our Antichrist is almost here
Time has come it is quite clear
Our Antichrist is almost here

Cut the head off

Grows back hard
I am the Hydra
Now you'll see your star

When you are suffering know that I have betrayed you
When you are suffering know that I have betrayed you
When you are suffering know that I have betrayed you
When you are suffering know that I have betrayed you
When you are suffering know that I have betrayed you
When you are suffering know that I have betrayed you
When you are suffering know that I have betrayed you
When you are suffering know that I have betrayed you
