Haters call me, "Bitch"
Call me "Fagot"
Call me "Whitey"
But I am something you can never be
Hey
Yeah, yeah, yeah

I won't look prettier if I smile for the picture
Motherfuckers never liked me then
And they sure won't like me now
Don't try to drag me down in your cliché
You fake grin fits your faker face
But I find all my pleasure in your misery, yeah
Yeah, yeah, yeah

I'll step on you on my way up
I'll step on you on my way down
I'll step on you on my way up
I'll step on you on my way down

Haters call me, "Bitch"
Call me "Fagot"
Call me "Whitey"
But I am somethin' that you never be
Hey
Haters call me, "Bitch"
Call me "Fagot"
Call me "Whitey"
But I am somethin' that you never be
Hey

I'll be your scape goat
I'll be your savior
I'm the better of two evils
Yeah, yeah, yeah
I'm the better of two evils
Yeah, yeah, yeah
I'm the better of two evils

I want to hang all you cattle with your velvet rope
Motherfuckers step up and get into an orderly line
I'll show you how to make a muscle

It takes less strength to grin
Than it does to spit on all you paparazzinazis, yeah
Yeah yeah yeah

I'll step on you on my way up
I'll fuckin' step on you on my way down

Haters call me, "Bitch"
Call me "Fagot"
Call me "Whitey"
But I am somethin' that you never be
Hey
Haters call me, "Bitch"
Call me "Fagot"
Call me "Whitey"
But I am somethin' that you never be
Hey

I'll be your scape goat
I'll be your savior
I'm the better of two evils
Yeah, yeah, yeah
I'm the better of two evils
Yeah, yeah, yeah
I'm the better of two evils

Don't try to lead me to temptation
Don't try to lead me to temptation
Don't try to lead me to temptation
I've been delivered and I already know the way
Hey

Haters call me, "Bitch"
Call me "Fagot"
Call me "Whitey"
But I am somethin' that you never be
Hey
Haters call me, "Bitch"
Call me "Fagot"
Call me "Whitey"
But I am somethin' that you never be
Hey

I'll be your scape goat
I'll be your savior
I'm the better of two evils
Yeah, yeah, yeah
I'm the better of two evils
Yeah, yeah, yeah
I'm the better of two evils
Yeah, yeah, yeah
