Do you, don't you want this to be your song?  
It doesn't take a rebel to sing along

This art is weak in its pretty pretty frame  
And I am a monkey with a misspelled name

And I'll put down your disco  
And take your heart away  
And I'll put down your disco  
And take your heart away

I'll be born again, I'm someone else  
I'm someone new  
I'm someone stupid just like you

I'm someone else  
I'm someone new  
I'm someone stupid just like you

Do you, don't you want to take this hit?  
Does it make you feel like you're a part of it

And I'll put down your disco  
And take you heart away  
And I'll put down your disco  
And take your heart away

I'll be born again, and I'm someone else  
I'm someone new  
I'm someone stupid just like you

I'm someone else  
I'm someone new  
I'm someone stupid just like you

I'm someone else  
I'm someone new  
I'm someone stupid just like you

I'm someone else  
I'm someone new  
I'm someone stupid just like you

The valley of the dolls  
Is the valley of the dead  
The valley of the dolls  
Is the valley of the dead

And I'm someone else  
I'm someone new  
I'm someone stupid just like you

I'm someone else  
I'm someone new  
I'm someone stupid just like you

And I'll put down your disco  
And take your heart away  
And I'll put down your disco  
And take your heart away

And I am born again  
And I am born again  
And I am born again  
And I am born again
