Stare into my Kodak Rome Jack hammer out eyes  
you never thought you'd see  
the asphalt cra-cra crack like a black egg shell  
Don't ever say I never warned you from the start  
Don't ever say I never warned you from the start  
You're not a shovel, I'm not your dirt

Is there any way to unswallow my pride  
Can I fuck myself down?  
Why die you can kill the father, that's lucidity  
Your Macbeth confessed Oedipus no longer present  
tense  
Your Macbeth confessed Oedipus no longer present  
tense

No No No No No Reason  
No No No No No Reason  
No No No No No Reason

I had enough of this  
I had enough of this

I won't regret letting you live

even if you forgot what you never saved me from  
So I say whatever, Oh for never

For for for for for for never  
For for for for for for never  
For for for for for for never, whatever

The rape of Persephone was choreographed by all the  
wrong Greeks  
The rape of Persephone was a marketing scheme

Rape rape rape Persephone  
Rape rape rape Persephone  
Rape rape Persephone  
Rape rape Persephone

I had enough of this  
I had enough of this

I had enough of this

No No No No No Reason

No No No No No Reason
