This is evolution  
The monkey, the man then the gun  
If Christ was in Texas  
The hammer the sickle the only Son

This is your creation  
The atom of Eden was a bomb  
If Jack was the Baptist  
We'd drink wine from his head

This is evolution  
The monkey, the man then the gun  
This is evolution  
The monkey, the man then the gun

I am a revolution  
Pull my knuckles down if I could  
I am a revelation  
And I'm nailed to the Holy Wood

This is evolution  
The monkey, the man then the gun  
This is evolution  
The monkey, the man then the gun

We are dead and tomorrow's canceled  
Because of things we did yesterday  
We are dead and tomorrow's canceled  
Crucify us in our space, oh oh  
In our space, in our space, in our space  
In our space, in our space, space, space

This is evolution  
The monkey, the man then the gun  
This is evolution  
The monkey, the man then the gun  
This is evolution  
The monkey, the man then the gun  
This is evolution  
The monkey, the man then the gun  
This is evolution  
The monkey, the man then the gun  
This is evolution

This is evolution  
This is evolution  
The monkey, the man then the gun  
This is evolution  
The monkey, the man then the gun  
This is evolution  
The monkey, the man then the gun  
This is evolution
