T-The drugs say make us feel so hollow
We love in vain narcissistic and so shallow
The cops and queers to swim you have to swallow
Hate today, no love for tomorrow

We're all stars now in the dope show
We're all stars now in the dope show

There's lots of pretty, pretty ones
Who want to get you high
But all the pretty, pretty ones
Will leave you low and blow your mind

We're all stars now in the dope show
We're all stars now in the dope show

They love you when you're on all the covers
When you're not then they love another
They love you when you're on all the covers
When you're not then they love another

The drugs they say are made in California
We love your face, we'd really like to sell you
The cops and queers make good looking models
I hate today, who will I wake up with tomorrow?

There's lots of pretty, pretty ones
Who want to get you high
But all the pretty, pretty ones
Will leave you low and blow your mind

They love you when you're on all the covers
When you're not then they love another
They love you when you're on all the covers
When you're not then they love another

There's lots of pretty, pretty ones
Who want to get you high
But all the pretty, pretty ones
Will leave you low and blow your mind
They'll blow your mind

We're all stars now in the dope show
We're all stars now in the dope show
