You cut off all of your fingers  
Trade them in for dollar bills  
Cake on some more make-up to cover up all those lines  
Wake up and stop shaking 'cause you're just wasting  
time

Don't you want some of this?  
Don't you need some of this?

You take but cannot be given  
You ride but cannot be ridden  
Pinch this tiny heart of mine wrap it up in soiled twine  
You never read what you've written

I'll be your lover, I'll be forever  
I'll be tomorrow, I am anything when I'm high  
I'll be your lover, I'll be forever  
I'll be tomorrow, I am anything when I'm high

Don't you want some of this?  
Don't you need some of this?  
Don't you want some of this?  
Don't you need some of this?

You shove your hair down my throat  
I feel your fingers in me, me  
Tear this bitter fruit to mess and wrap it in your soiled  
dress  
Now you must spit out the seeds

I'll be your lover, I'll be forever  
I'll be tomorrow, I am anything when I'm high  
I'll be your lover, I'll be forever  
I'll be tomorrow, I am anything when I'm high  
Anything when I'm high, anything when I'm high

I'll be your lover, I'll be forever  
I'll be tomorrow, I am anything when I'm high  
I'll be your lover, I'll be forever  
I'll be tomorrow, I am anything when I'm high

Anything when I'm high

All dried up and tied up forever  
All fucked up and dead to the world  
All dried up and tied up forever  
All fucked up and dead to the world

All dried up and tied up forever  
All fucked up and dead to the world  
All dried up and tied up forever  
All fucked up and dead to the world
