This forest head of mine  
Been really testing my lady  
Why?

I am a climber  
I climb and climb  
Until my feet go dry

This forest head of mine  
Been really testing my lady  
Why?

I am a climber  
I climb and take them  
Till my feet go dry

Inside my head  
Hey...  
Inside my head  
Hey...  
Inside my head  
Hey...

Take pieces day by day  
This dream I can't retake  
Take pieces day by day  
This dream I can't retake  
Take pieces day by day  
This dream I can't retake  
Take pieces day by day  
...(?)...

This forest head of mine  
The music's won  
This forest head of mine  
The music's won  
Won...

Take pieces day by day  
This dream I can't retake  
Take pieces day by day

This dream I can't retake  
Take pieces day by day  
This dream I can't retake  
Take pieces day by day  
This dream I can't retake  
Yeah...
