Goddamn your righteous hand

I eat innocent meat the housewife I will beat
The prolife I will kill what you don't do I will
I bash myself to sleep what you sew I will reap
I scar myself you will see well I wish I wasn't me
I am the little stick you stir me into shit
I hate therefore I am

Goddamn your righteous hand
Goddamn, goddamn, goddamn, goddamn

Pseudo-morals work real well
On the talk shows for the weak
Selective judgements and goodguy badges
Don't mean a fuck to me

I throw a little fit well I slit my teenage wrist
The most that I can learn is in records that you burn

Get your gunn, get your gunn
Get your gunn, get your gunn

Pseudo-morals work real well
On the talk shows for the weak
But your selective judgements
And goodguy badges
Don't mean a fuck to me

Pseudo-morals work real well
On the talk shows for the weak
But your selective judgements and goodguy badges
Don't mean a fuck to me

I am the VHS record me with your fist
You want me to save the world
I'm just a little girl

Pseudo-morals work real well
On the talk shows for the weak
Selective judgements and goodguy badges
Don't mean a fuck to me

Pseudo-morals work real well
On the talk shows for the weak
Selective judgements and goodguy badges
Don't mean a fuck to me

Get your gunn, get your gunn
Get your gunn, get your gunn, get
