And I don't want you and I don't need you
Don't bother to resist or I'll beat you
It's not your fault that you're always wrong
The weak ones are there to justify the strong

The beautiful people, the beautiful people
The beautiful people, the beautiful people

The worms will live in every host
It's hard to pick which one they eat the most
The horrible people, the horrible people
It's as anatomic as the size of your steeple

Capitalism has made it this way
Old-fashioned fascism will take it away
There's no time to discriminate
Hate every motherfucker that's in your way, break it
away

Hey you, what do you see?
Something beautiful, something free
Hey you, are you trying to be mean?
You live with apes man, it's hard to be clean

The beautiful people, the beautiful people
The beautiful people, the beautiful people

And I don't want you and I don't need you
Don't bother to resist, or I'll beat you
It's not your fault that you're always wrong
The weak ones are there to justify the strong

Hey you, what do you see?
Something beautiful, something free
Hey you, are you trying to be mean?
You live with apes man, it's hard to be clean

Hey you, what do you see?
Something beautiful, something free
Hey you, are you trying to be mean?
You live with apes man, it's hard to be clean
