Is this what you wanted?  
This is what you get.  
Turned all your lives into this shit.  
You never accepted or treated me fair  
blame me for what I believe  
and I wear.  
You fucked yourselves and you  
raised these sheep  
the blue and the withered seeds  
you will reap.  
You never gave me a chance to be me  
Or even a fucking chance just to be.  
But I have to show you that  
you played a role  
and I will destroy you with one simple hole.  
The world that hates me has taken its toll  
but now I have finally taken control.  
You wanted so bad to make me this thing  
and I want you now to just kill the king

and I am not sorry, and I am not sorry  
this is what you deserve  
and I am not sorry, and I am not sorry  
this is what you deserve  
and I am not sorry, and I am not sorry  
this is what you deserve
