It's not like I made myself a list
Of new and different ways of murdering your heart
I'm just a painting that's still wet
If you touch me I'll be smeared, you'll be stained
Stained for the rest of your life

So turn around walk away before you confuse the way
we abuse each other
You're not afraid of getting hurt
And I'm not afraid of how much I hurt you

Well aware I'm a danger to myself
Are you aware I'm a danger to others?
There's a crack in my soul you thought was a smile

Whatever doesn't kill you is gonna leave a scar
Whatever doesn't kill you is gonna to leave a scar
Leave a scar, leave a scar
Whatever doesn't kill you is gonna to leave a scar

I'm more like a silver bullet
And I'm like a gun, not easy to hold
I'm moving fast and if I stay inside your heart
I'm certain that this will be the end of your life

So turn around walk away before you confuse the way
we abuse each other
You're not afraid of getting hurt
And I'm not afraid of how much I hurt you

Well aware I'm a danger to myself
Are you aware I'm a danger to others?
There's a crack in my soul you thought was a smile

Whatever doesn't kill you is gonna leave a scar
Whatever doesn't kill you is gonna to leave a scar
Leave a scar, leave a scar
Whatever doesn't kill you is gonna to leave a scar

Should warn you that you may fuck me
But chances are I'm gonna fuck you over
Should warn you that you may fuck me

But chances are I'm gonna fuck you over
Should warn you that you may fuck me
But chances are I'm gonna fuck you over
Should warn you that you may fuck me
But chances are I'm gonna fuck you over
