I want to fly into your sun
Need fear to make me numb
Live like a teenage Christ
I'm a saint, got a date with suicide

Oh, Mary, Mary
To be this young is oh, so scary
Mary, Mary
To be this young I'm oh, so scared

I wanna live, I wanna love
But it's a long hard road out of hell
I wanna live, I wanna love
But it's a long hard road out of hell

You never said forever could ever hurt like this
You never said forever could ever hurt like this
Do do do

Spin my way out of hell, there's nothing left in this soul
to sell
I live fast and die fast too
How many times to do this for you?
How many times to do this for you?

Mary, Mary
To be this young I'm oh, so scared

I wanna live, I wanna love
But it's a long hard road out of hell
I wanna live, I wanna love
But it's a long hard road out of hell

You never said forever could ever hurt like this
You never said forever could ever hurt like this
Do do do

I wanna live, I wanna love
But it's a long hard road out of hell
I wanna live, I wanna love
But it's a long hard road out of hell

Long hard road out of hell
I wanna live, I wanna love
But it's a long hard road out of hell

Sell my soul for anything, do anything for you
Sell my soul for anything, do anything for you
