(?)

...so fucked with every call  
All the bullshit at the shopping mall  
You can get your answers from the eight, eight ball  
Better, better, better, better  
Not tell you  
Baby, baby, baby, baby  
Next time  
Better, better, better, better  
Not tell you  
Baby, baby, baby, baby Next time

Outlook  
Not good  
What I wanna hear  
Look at me  
Lie to me  
You make it all to clear

If my mind gets hazy  
Take my fusion I'm to lazy  
Always got these science fiction mentalities  
Got to my own course daddy got my pocket to me

(?)

(?)tell em what we need  
Baby, baby, baby, baby  
Next time  
Shake it, shake it, shake it, shake it  
Eight Ball  
Shake it, shake it  
Shake it, shake it

Outlook  
Not good  
What I wanna hear  
Look at me  
Lie to me  
You make it all to clear

Outlook  
Not good  
What I wanna hear

Look at me  
Lie to me  
You make it all to clear

Eight ball!  
Shake it, shake it  
Outlook  
Not good  
What I wanna hear  
Look at me  
Lie to me  
You make it all to clear

Better, better, better, better  
Not tell you  
Baby, baby, baby, baby  
Next time  
Tell me, tell me, tell me, tell me  
I can't tell you  
Baby, baby, baby, baby  
Next time

Outlook  
Not good  
What I wanna hear  
Look at me  
Lie to me  
You make it all to clear  
Outlook  
Not good  
What I wanna hear  
Look at me  
Lie to me  
You make it all to clear
