It's not like I made myself a list
Of new and different ways to murder your heart
I'm just a painting that's still wet
If you touch me
I'll be smeared
You'll be stained
Stained for the rest of your life

Turn around
Walk away
Before you confuse
The way we abuse each other
When you're not afraid of getting hurt
Then I'm not afraid of how much I hurt you

Well aware of the dangers to myself
Are you aware I'm a danger to others?
There's a crack in my soul
You thought it was a smile

Whatever doesn't kill you
Is going to leave a scar

Whatever doesn't kill you
Is going to leave a scar
Leave a scar
Leave a scar

Whatever doesn't kill you will leave a scar

I'm more like a silver bullet
And I'm like a gun
Not easy to hold
I'm moving fast
And if I stay inside your heart
I'm certain that this will be
The end of your life
Turn around
Walk away
Before you confuse
The way we abuse each other
When you're not afraid of getting hurt

Then Iâ€™m not afraid of how much I hurt you

Well aware of the dangers to myself
Are you aware Iâ€™m a danger to others?
Thereâ€™s a crack in my soul
You thought it was a smile

Whatever doesnâ€™t kill you
Is going to leave a scar

Whatever doesnâ€™t kill you
Is going to leave a scar
Leave a scar
Leave a scar

Whatever doesnâ€™t kill you will leave a scar

She warned you that she may fuck me
But the chances are
Iâ€™m going to fuck you over

She warned you that she may fuck me
But the chances are
Iâ€™m going to fuck you over

She warned you that she may fuck me
But the chances are
Iâ€™m going to fuck you over

She warned you that she may fuck me
But the chances are
Iâ€™m going to fuck you over
