"And all our yesterdays have lighted fools  
The way to dusty death. Out, out, brief candle!  
Life's but a walking shadow, a poor player,  
That struts and gets his hour upon the stage,  
And then is heard no more. It is a tale  
Told by an idiot, full of sound and fury,  
Signifying nothing."

Stare into my Kodak Rome  
Jack-Hammer ice eyes  
I never thought you'd see the asphalt  
Crack, crack, crack like a black eggshell

Don't ever say I never warned you from the start  
Don't ever say I never warned you from the start  
You're not a shovel and I'm not your dirt

Is there any way to unswallow my pride  
Can I fuck myself down  
While I die you can kill the father  
DAD is missing an E

No Macbeth confessed Oedipus  
no longer present tense  
No Macbeth confessed Oedipus  
No longer present tense

No, no, no, no, no reason  
No, no, no, no, no reason  
No, no, no, no  
No reason

High and overneath  
High and overneath

I won't regret letting you live  
Even if you forgot what you never saved me from  
So I say 'whatever' or for never

For, for, for, for fallen for never  
For, for, for, for fallen for never  
For, for, for, for fallen for never  
Whatever

The rape of Persephone was coreographed by all the wrong Greeks  
The rape of Persephone was a marketing scheme

Rape, rape, rape Persephone  
Rape, rape, rape Persephone  
Rape, rape, rape Persephone  
Rape, rape, rape Persephone

High and overneath  
High and overneath

Overneath  
Overneath  
Overblown  
Unbeloved  
Cannot be low  
Overneath  
Overneath  
Overblown  
Unbeloved  
Cannot be low

From the top of my lungs  
To the bottom of my heart  
I scream  
At the chasm in between  
And the path of misery  
From the top of my lungs  
To the bottom of my heart  
I scream  
At the chasm in between  
And the path of misery

High and overneath  
High and overneath

No, no, no, no, no reason  
No, no, no, no, no reason  
No, no, no, no  
No reason
