You look so pretty
When you cry.
Don't wanna hit you
But the only thing,
Between our love is
(1) a bloody nose
(2) a busted lip
(3) a blackened eye

You look so pretty
When you cry.
Don't wanna hit you
But the only thing,
Between our love is
(1) a bloody nose
(2) a busted lip
(3) a blackened eye

You're a little pistol
And i'm fucking pistol whipped
You're a little pistol
And i'm fucking pistol whipped

(cock, cock, cock it)

When i undo my belt,
You melt and you walk away
With a red, red, red welt
(or so they say)

When i undo my belt,
You melt and you walk away
With a red, red, red welt
(or so they say)

You're a little pistol
And i'm fucking pistol whipped
You're a little pistol
And i'm fucking pistol whipped

I wanna have your ache
And beat you too
I wanna have your ache
And beat you too
I wanna have your ache

And beat you too
I wanna have your ache
And beat you too

You're a little pistol
And i'm fucking pistol whipped
You're a little pistol
And i'm fucking pistol whipped

(cock, cock, cock it)
