She's got eyes like Zapruder
Mouth like heroin
She wants me to be
Perfect like Kennedy

This isn't God, this isn't God
This isn't God, this isn't God
God is just a statistic
God is just a statistic

Say show me the dead stars
All them sing, yaa
(Hey)
This is a riot
Religious and clean
(Hey)
(Hey)

God is a number you cannot count to
You are post-human and hardwired

She's pilgrim and pagan
Soft worn and social
In all of her dreams
She's a saint like Jackie O

This isn't God, this isn't God
This isn't God, this isn't God
God is just a statistic
God is just a statistic

Say show me the dead stars
All them sing, yaa
(Hey)
This is a riot
Religious and clean
(Hey)
Show me the dead stars
All them sing, yaa
(Hey)
This is a riot
Religious and clean

God is a number you cannot count to
God is a number you cannot count to
God is a number you cannot count to
You are post-human and hardwired

{All that glitters is gold
All that glitters is gold
All that glitters is gold }

Say show me the dead stars
All them sing, yaa
(Hey, yea, hey, yea, hey, yea)
This is a riot
Religious and clean
(Hey, yea, hey, yea, hey, yea)

Say show me the dead stars
All them sing, yaa
(Hey, hey, hey)
This is a riot
Religious and clean
(Hey, hey, hey)

Ladies and gentleman
