The hunger inside, given to me  
Makes me what I am  
Always it is calling me  
For the blood of man

They say, I cannot be this  
I am jaded, hiding from the day  
I can't bear, I cannot  
Tame the hunger in me

Oh, I say, I did it  
Always searching  
You can't fuck with fate  
So instead you'll taste my pain

The hunger inside, given to me  
Makes me feel alive  
Always out, stalking prey  
In the dark I hide

Feeling, falling, hating  
Feel like I am fading  
Hating life

They say, I cannot be this  
I am jaded, hiding from the day  
I can't bear, I cannot  
Tame the hunger in me

Oh, I say, I did it  
Always searching  
You can't fuck with fate  
So instead you'll taste my pain

You say, your life I'm taking  
Always bothering me  
I can't take this anymore  
I'm failing, always smothering me

You look down on me  
Ain't what you see  
Take this gift from me

You will soon become me

Nothing seems exciting  
Always the same hiding, hiding  
It's haunting me, it's haunting me  
It's haunting me, it's haunting me  
It's haunting me
