Walking, waiting alone without a care
Hoping and hating the things that I can't bear
Did you think it's cool to walk right up
To take my life and fuck it up? Well did you? Well did
you?

I see Hell in your eyes
I'm taken in by surprise
And touching you makes me feel alive
And touching you makes me die inside

Walking, waiting alone without a care
Hoping and hating the things that I can't bear
Did you think it's cool to walk right up
To take my life and fuck it up? Well did you? I hate you

I see Hell in your eyes
I'm taken in by surprise
And touching you makes me feel alive
And touching you makes me die inside

I've slept so long without you
It's tearing me apart too
How'd it get this far
Playing games with this old heart?

I've killed a million petty souls
But I couldn't kill you
I've slept so long without you

(Touching you makes me die inside)
I see hell in your eyes
(Touching you makes me die inside)
I'm taken in by surprise

(Touching you makes me die inside)
And touching you makes me feel alive
(Touching you makes me die inside)
And touching you makes me die inside

(Touching you makes me die inside)
I see hell in your eyes

(Touching you makes me die inside)
I'm taken in by surprise

(Touching you makes me die inside)
And touching you makes me feel alive
(Touching you makes me die inside)
And touching you makes me die inside

(Touching you makes me die inside)
I see hell in your eyes
(Touching you makes me die inside)
I'm taken in by surprise
(Touching you makes me die inside)
