Wrench is just a household God  
but I carry mine with pride  
I don't work but I can work with it to split your smile  
Run you down without a twitch,  
your car's just not as big as mine  
Tear the son out of your bitch and  
sprinkle your remains with lime  
I ain't no workin' man,  
I do the best I can,  
I got the devil's hand  
Rollin' sixes  
I am the habit man,  
I use up all I can, I got the slacker's hand  
My afternoon's remote control  
Daydream milk and genocide  
Tranquility with broken knees, silly putty enemies  
Butter knife in your side  
What I got I got for free, middle finger technology  
What's yours is mine, yours is mine,  
told you fucker, yours is mine  
Snake eyes for sissies  
I ain't no workin' man,  
I do the best I can,

I got the devil's hand  
Rollin' sixes  
I am the habit man,  
I use up all I can, I got the slacker's hand  
I am the pedophile's dream  
A messianic Peter Pan  
Just a boy, just a boy, just a little fucking boy,  
I can never be a man  
I ain't no workin' man,  
I do the best I can,  
I got the devil's hand  
Rollin' sixes  
I am the habit man,  
I use up all I can, I got the slacker's hand  
I ain't no workin' man,  
I do the best I can,  
I got the devil's hand  
I am the habit man,

I use up all I can, I got the slacker's hand  
(Oh no, Oh no)
