Through early morning fog I see
The visions of the things to be
Their pains that are withheld from me
I realize and I can see

That suicide is painless
It brings on many changes
And I can take or leave it
If I please

The game of life is hard to play
I'm gonna lose it anyway
The losing card I'll some day lay
So this is all I have to say

That suicide is painless
It brings on many changes
And I can take or leave it
If I please

The sword of time will pierce our skin
It doesn't hurt when it begins
But as it works its way on in
The pain grows stronger, watch it grin

Suicide is painless
It brings on many changes
And I can take or leave it
If I please

A brave man once requested me
To answer questions that are key
Is it to be, or not to be?
And I replied, oh why ask me?

Suicide is painless
It brings on many changes
And I can take or leave it
If I please

And you can do the same thing
If you please
