I don't want you and I don't need you  
don't bother to resist, I'll beat you  
It's not your fault that you're always wrong  
the weak ones are there to justify the strong  
the beautiful people, the beautiful people  
it's all relative to the size of your steeple  
you can't see the forest for the trees  
you can't smell  
your own shit on your knees  
Hey you, what do you see?  
something beautiful, something free?  
hey you, are you trying to be mean?  
if you live with apes, man, it's hard to be clean  
there's no time to discriminate,  
hate every motherfucker  
that's in your way

the worms will live in every host  
it's hard to pick which one they eat most  
the horrible people, the horrible people  
it's as anatomic as the size of your steeple  
capitalism has made it this way,  
old-fashioned fascism  
will take it away  
(chorus)
