Nothin suffocates you  
more than the passin of  
everyday human events,  
and isolation is the  
oxygen mask you make  
your children breathe  
in to surviiiiive!!

But im not a slave to  
a god that doesnt exist.  
But im not a slave to  
a world that doesnt  
give a shit.

And when we were good,  
you just closed your eyes,  
so when we are bad, we'll  
scar your minds.

Fight, fight, fight, fight,  
fight, fight, fight, fight.

you'll never grow up to be a  
big-rockstar-celebrated-victim-  
of-your-fame. They'll just cut  
our wrists like cheap coupons  
and say that death was on sale  
today.

And when we were good,

you just closed your eyes,  
so when we are bad, we'll  
scar your minds.

But im not a slave to  
a god that doesnt exist.  
But im not a slave to  
a world that doesnt  
give a shit.

The death of one is a tragedy,

the death of one is a tragedy,  
the death of one is a tragedy,  
but death of millions is just  
a statistic.

But im not a slave to  
a god that doesnt exist.  
But im not a slave to  
a world that doesnt  
give a shit.

But im not a slave to  
a god that doesnt exist.  
But im not a slave to  
a world that doesnt  
give a shit.

Fight, fight, fight, fight  
fight, fight, fight, fight.
