How the fuck are we supposed to know
When I'm a monster, with the way
You refuse to die
How the fuck are we supposed to know
If we're in love
Or if we're in pain

I'm a tightrope walker
Can't find my circus
And I'm damaged beyond repair
Now you're just a coffin
Of a girl I knew
And I'm buried in you

You never said
'I'll end up like this'
You never said
'I'll end up like this'
No. No, no, no!

Sometimes I dream I'm an
Exterminating angel
A travelling executioner from heaven
Sent to give you the prettiest
Death I know
Call the grave and make our reservations

You never said
'I'll end up like this'
You never said
'I'll end up like this'
No!
You never said
'I'll end up like this'
You never said
'I'll end up like this'
No. No, no, no, no, no!

Are we in love or are we in pain?
Are we in love or are we in pain?
Are we in love or are we in pain?
Are we in love or are we in pain?

How the fuck are we supposed to know
When I'm a monster, with the way
You refuse to die
How the fuck are we supposed to know
If we're in love
Or if we're in pain

Why is my wound a front door to you?
Am I my own shadow?
Why is my wound a front door to you?
Am I my own shadow?
