I keep reaching for the radio
it's the only place that I can go
when I'm missing you, missing you

I keep searching for the same ole song
you remember the one
now I'm missing you, missing you

another day goes by
another night alone
still I wonder why, why, why

is it the beauty or the beast in me
tell me what you want, what you need
is it the beauty or the beast in me
keeps you comin back for more
is it the beauty or the beast

you watch the rainfall down like tears
remembering tender years
missing you, I'm missing you

Love it came felt so right
you could take me tonight
I'm missing you, oh I'm missing you

another day goes by
another night alone
still I wonder why, why, why

is it the beauty or the beast in me
tell me what you want, what you need
is it the beauty or the beast in me
keeps you comin back for more
is it the beauty or the beast

Missing you, oh missing you, missing you,..... oh
missing you

beauty or the beast in me
tell me what you want, what you need
is it the beauty or the beast in me

keeps you comin back for more
beauty or the beast
is it the beauty or the beast, is it the beauty or the beast
