Talkin' 'bout the body
The body and the beat
I'm talkin' 'bout my body
My body and the beat

Do you wonder what hits
When it shakes your body
Do you wonder what shakes the world
When your heart is thumpin'
And you don't know nothin'
You woke in the mornin'
And your blood starts pumpin'

And when the beat comes down
Is it hard on you
And when the beat comes down
Does it make you shout
And when the beat comes down
Give me some reaction
And when the beat comes down
Am I in or out

Do you wonder what hits
When it shakes your body
Do you wonder what shakes the world
When your heart is thumpin'
And you don't know nothin'
You woke in the mornin'
And your blood starts pumpin'

And when the beat comes down
Is it hard on you
And when the beat comes down
Does it make you shout
And when the beat comes down
Give me some reaction
And when the beat comes down
Am I in or out

When your heart is beatin'
And your head is thumpin'
Your toes start movin'

And you canâ€™t stop jumpinâ€™

Talkinâ€™ â€˜bout the body

The body and the beat

I'm talkinâ€™ â€˜bout my body

My body and the beat

I'm talkinâ€™ â€˜bout the body

The body and the beat.
