Something is stirring
Deep down inside
Trying to fight it
Is like swimming against the tide

Ooh now my words give off anger
And I'm walking in the door
Like a bird
I wanna fly into your arms
Hey take me I'm yours

Darling look what you've done to my heart
You captured my love from the start
Darling look what you've done to my heart
It's heaven to be in your arms

Now that I've found you
It's too good to be true
My every desire
Is all wrapped up in you

If my passion could burn you
I'd be much too hot to hold
'Cause your love is more than I can handle girl
And I've lost control

Darling look what you've done to my heart
You captured my love from the start
Darling look what you've done to my heart
It's heaven to be in your arms
Your arms

Ooh now my words give off anger
And I'm walking in the door
Like a bird
I wanna fly into your arms
Hey take me I'm yours

Darling look what you've done
Look what you've done
Look what you've done to my heart
Darling look what you've done

Look what you've done
Look what you've done to my heart
Darling look what you've done to my heart
You captured my love from the start
Darling look what you've done to my heart
It's heaven to be in your arms
Darling look what you've done
Look what you've done
Look what you've done to my heart
Darling look what you've done
Look what you've done
Look what you've done to my heart
Darling look what you've done to my heart
You captured my love from the start
Darling look what you've done to my heart
It's heaven to be in your arms
Darling look what you've done
Look what you've done
Look what you've done to my heart
Darling look what you've done
Look what you've done
