You've been acting awful tough lately  
Smoking a lot of cigarettes lately  
But inside, you're just a little baby  
It's okay to say you've got a weak spot  
You don't always have to be on top  
Better to be hated than love, love, loved for what you're  
not

You're vulnerable, you're vulnerable  
You are not a robot  
You're loveable, so loveable  
But you're just troubled

Guess what? I'm not a robot, a robot  
Guess what? I'm not a robot, a robot

You've been hanging with the unloved kids  
Who you never really liked and you never trusted  
But you are so magnetic, you pick up all the pins  
Never committing to anything  
You don't pick up the phone when it ring, ring, rings  
Don't be so pathetic, just open up and sing

I'm vulnerable, I'm vulnerable  
I am not a robot  
You're loveable, so loveable  
But you're just troubled

Guess what? I'm not a robot, a robot  
Guess what? I'm not a robot, a robot

Can you teach me how to feel real?  
Can you turn my power on?  
Well, let the drum beat drop

Guess what? I'm not a robot  
Guess what? I'm not a robot

Guess what? I'm not a robot, a robot  
Guess what? I'm not a robot, a robot  
Guess what? I'm not a robot, a robot

Guess what? I'm not a robot, a robot
