I got a fever  
An inflammation  
That's what I got  
You turn the heat on me  
Some like it hot  
Look what you started  
A conflagration  
Baby, that's what  
Don't let the flame go out  
Some like it hot  
Oh baby, I'm from that old school  
I'll play it real cool  
But when you kissed me  
I lit up  
Like a four alarm fire  
Call out the engine  
Ring up the station  
I'm on the spot  
Love burns you up the most  
Like it or not  
But baby, I like it hot
