And I am a mess, call me dash d cadet here to serve

Oh and do not forget I'll murder your flesh beat it over
again and then murder your best friends
Ha put it in the air keep your face down as you pull your
underwear
And if your friends want to join they can meet me
under there
Cause I might go down if it's clean up under there

Aye girl you nasty
Girl you nasty

Kiss me kiss me now she wanna lick me
Seductive she got me walkin round with a stiffy
Hickys, let em no that she with me
She pinned me on the wall had me singin like Whitney
Yea she through that ass back while her friends up

Aye babe you nasty
And when we in the room yea I got you all trashy
And when you gurt me I always start laughing a little
You do it so good you make tha shit tickle
Oh ooh I really love it
Really reals baby fuckin while I'm clubbin
Beat it so good like a nigga nearly clubbed it
Loaded in this bitch yea I feal like david ruffin
Yea I love deep temptation
You no I got swipe you impatiently waiting

Aye girl you nasty
Girl you nasty

Lick me
She licked me
And now she wanna kiss me
Bitch back back I don't no where your lips be
It seems to be at night
Sorry to say lil mama I'm call it a night
You can call whoever we can get it poppin tonight
Skinny jeans on but I'm still ready to fight
Warrior earning my survival stripes
I feed off pain killers strong about the night
Poppin this now I'm headed to the club tonight
To see what chick is my next victim
She spotted me now she wanna fuck me on sight
I tell her bring your friends she can suck me all night
You nasty girl
Man I no you did it
You swallowed no spittin garitness
Now it's time to leave bye no hugs or kisses
Thanks for the sex it was great I admit it
