I may not always love you  
But long as there are stars above you  
You never need to doubt it  
I'll make ya so sure about it

God only knows what I'd be without you  
Without you yeah,  
God only knows what I'd be without you

And if you should ever leave me  
Well my life would still go on, believe me  
The world would show nothing to me  
What good would our living do me

God only knows what I'd be without you  
Oh baby what would I do  
God only knows what I'd be without you

God only knows what I'd be without you  
God only knows what I'd be without you  
God only knows what I'd be without you  
God only knows what I'd be without you
