Try...try...

Come on baby, come on pretty baby
Don't say it's over, don't say goodbye
Just wait a minute, Honey look me in the eye
Talk to me now, don't you ask why
I know you know how
To come back and take a chance to...

Try some love, try some love again...try...try...
Try some love, try some love again...try...try...

Try...

So think it over, just think it over
Don't be a lover that makes me cry
I know you wanna sometimes spread those wings and
fly
So talk to me now, I'll understand ya, I'll understand ya
Please don't shut me out
Just hold on, let's have some fun, and...
