I was pulling out my hair
The day I cut the deal, chemically calm
Was I meant to feel happy
That my life was just about to change?

One life pretending to be
The cow who got the cream
Oh, everybody said
"Marina is a dreamer"

People like to tell you what you're gonna be
It's not my problem if you don't see what I see
And I do not give a damn if you don't believe

My problem is my problem
That I never am happy
It's my problem, it's my problem
On how fast I will succeed

Are you satisfied with an average life?
Do I need to lie to make my way in life?

High achiever don't you see?
Baby, nothing comes for free
They say I'm a control freak
Driven by a greed to succeed

Nobody can stop me 'cause it's my problem
If I wanna pack up and run away
It's my business if I feel the need to
Smoke and drink and swear

It's my problem, it's my problem
If I feel the need to hide
And it's my problem if I have no friends
And feel I want to die

Are you satisfied with an average life?
Do I need to lie to make my way in life?
Are you satisfied with an easy ride?
Once you cross the line will you be satisfied?

Sad inside in this life
I'm satisfied praying
Sad inside in this life
I'm satisfied waiting

Are you satisfied with an average life?
Do I need to lie to make my way in life?
Are you satisfied with an easy ride?
Once you cross the line will you be satisfied?

Are you satisfied, are you satisfied?
Are you satisfied, are you satisfied?
Are you satisfied, are you satisfied?
Are you satisfied, are you satisfied?
