You've been acting awful tough lately
smoking a lot of cigarettes lately
But inside your just a little baby

Its ok to say you've got a weak spot
you don't always have to be on top
better to be hated than loved, loved, loved for what
your not

Your vulnerable, your vulnerable
You are not a robot
your lovable, so lovable
but your just trouble

Guess what, I'm not a robot, a robot.
Guess what, I'm not a robot, a robot.

You've been hanging with the unloved kids
who you never really liked, and you never trusted
But you are so madnetic, you pick up all the pins

Never committing to anything
you don't pick up the phone when it ring, ring, rings
Dont be so pathetic, just open up and sing

I'm vulnerable, I'm vulnerable
I am not a robot
You're lovable, so lovable
but your just trouble

Guess what, I'm not a robot, a robot
Guess what, I'm not a robot, a robot

can you teach me how to feel, real
can you turn my power off
and let the drum beat drop

guess what, I'm not a robot,a robot
Guess What, i;m not a robot, a robot

guess what, i'm not a robot, a robot (x4)
