Your heart breaks hard when you don't have a plastic heart
You sucked me in through the cinnamon stars
'Cause you tasted so bitter, but the bitter was sweet
I'm the lovelorn princess and I'm yours to eat
I gave you too much, gave you too much to touch
Just the hardcore iron through the velvet glove
You were a lullaby and you had me blind
But now I laugh 'cause you're the one who's being left behind
I see you cry now that the shoe's on the other foot

Now that the shoe's on the other foot
You suddenly decided to knock on wood
Waking everybody in the neighborhood
Telling everybody that I'm no good
Karma came around like I knew it would,
like I knew it would, and it feels so good
when the shoe is put on the other foot
Yeah baby, I know that it hurts
when you're about to get your just desserts

Heart breaks hard
Harder than glittering cars
Harder than living life fast
Harder than crashing and burning
Hope that you learned your lesson
They always said I was a mess of a girl
Ever since you stepped your toes
into my perfect world
You flipped me upside down
But I see clear from here
That you're a mess of a boy
You'll cry these tears for years
Look in the mirror, baby

Now that the shoe's on the other foot

You suddenly decided to knock on wood
Waking everybody in the neighborhood
Telling everybody that I'm no good
Karma came around like I knew it would,
like I knew it would, and it feels so good
when the shoe is put on the other foot
Yeah baby, I know that it hurts
when you're about to get your just desserts

I'm glad that you crashed and burned
Guys like you ain't never learn, never learn
Baby, revenge is sweet
When I am playing you on repeat

Now that the shoe's on the other foot
You suddenly decided to knock on wood
Waking everybody in the neighborhood
Telling everybody that I'm no good
Karma came around like I knew it would,
like I knew it would, and it feels so good
when the shoe is put on the other foot
Now that the shoe's on the other foot
Karma came back
Like you knew it would
Like you knew it would
