Lying on a fake beach, you'll never get a tan,
Baby I'm gonna leave you drowning until you reach for
my hand

In the night your heart is full and by the morning
Well baby I'm the one who left you you're not the one
who left me.

When you're around me I'm Radioactive
My blood is burning Radioactive

I'm turning Radioactive
My blood is Radioactive

My heart is nuclear
Love is all that I fear
I'm turning Radioactive
My blood is Radioactive

Waiting for the nightfall
For my heart to light up
Oh baby I want you to die for
For you to die for my love

In the night your heart is full
And by the morning empty
Well baby, I'm the one who left you, you're not the one
who left me.

When you're around me I'm Radioactive
My blood is burning Radioactive
I'm turning Radioactive
My blood is Radioactive

My heart is nuclear
Love is all that I fear
Ready to be let down,
Now I'm heading for a meltdown.

Tonight I feel like Neon Gold
I take one look at you and I grow cold . . . and I grow
cold . . . and I grow cold

When you're around me I'm Radioactive
My blood is burning Radioactive
I'm turning Radioactive
My blood is Radioactive

My heart is nuclear
Love is all that I fear
Ready to be let down, now I'm heading for a meltdown.

My heart is nuclear
Love is all that I fear.
