Shut your mouth and close the door
I watch you all and take it off
I'm gonna take the blindfold put it on
And then I drop the letter to the floor

That's the short of

When the night... is foolin'
Bottom on an empty uh oh uh oh
Baby I'm the one who left
Now you're not the one who left me
Love love oh oh oh

2 x chorus:

Turning the lights up
Burning the candles
And the mirror is gonna fall tonight
Turning the lights up
Tightening the handcuffs
And the mirror is gonna fall tonight

... on your neck until I...
I am above the bed, you're bout to
But boy I pull the trigger in
Nah nah nah
I have a reason roll the clip
Nah nah nah,

Squeeze hard don't let go
You know I like it do it
Sweet heart I'm the boss
And then get close to it
I'm gonna make tonight a show
I'm making love tonight and then explode nah nah nah

2 x chorus:

Turning the lights up
Burning the candles
And the mirror is gonna fall tonight
Turning the lights up
Tightening the handcuffs
And the mirror is gonna fall tonight

Tonight I feel like me on going on
I take a look at you and I grow close
And I grow...

Squeeze hard don't let go
You know I like it do it
Sweet heart I'm the boss
And then get close to it
I'm gonna make tonight a show
I'm making love tonight and then explode

[Chorus:]
And the mirror is gonna fall tonight tonight tonight
And the mirror is gonna fall tonight
