I lost my spine inside the center of a star
And every day I wonder where the bad bones are
You die an ugly day if you hit and miss
I know my own grand daddy worked so hard for this

It seems so simple living like a porcupine
I know you're dreaming of the time when you were
mine
It seems so sinful, It seems so sinful, ooooh...

You kicki»đ me out and hung my rope down from the
roof
The Christians came out and watched me tie my noose
I spoke a silent prayer, they began crying
They knew that I'd applied to hell and they knew I got in

It seems so simple living like a porcupine
I know you're dreaming of the time when you were
mine
It seems so sinful, It seems so sinful, ooooh...

It seems so simple now, uuuh
It seems so sinful, uuuh
It seems so simple now, uuuh
It seems so sinful, uuuh
