[Hello smoriors!]

I'm on my back now, stars look strange to me
Not scared, but somehow fear grows within
Blackness winning my sight, deviltry 'cause my
amnesy
I can't make no conection with reality

Seems every night I slander my pride
Devil blackned my mind, I'm so stark blind!

Freedom from care can't be bought
Or found anywhere:eyes without hope
When soul can't be heard, end of hanging rope
Devil's greed makes me breathe
I increase from the bad seed!

Seems every night I slander my pride
Devil blackned my mind, I'm so stark blind!

You made me live closed, not to give
Like I'm possessed and I'm so stark blind
