"The Archetypes"

Housewife, Beauty Queen, Homewrecker, Idle Teen.
The ugly years of being a fool, ain't youth meant to be beautiful?

Queen of no identity
I always feel like someone else
A living myth

I grew up in a lie
I can be anyone (Anyone)
A study in identity & illusion
An Ode to Cindy (Anyone)
A living film
A Real fake

And you will never know, and you will never know
Love.

Electra Heart, are you for...real?

Through others, we become ourselves, the archetypes.

Submitter's comments:Â

This is a promotional song for presenting the idea of Electra Heart album and lasts 1:14'. It doesn't appear in Marina's discography but the background music actually comes from "The State of Dreaming" track in Electra Heart.
