heyyy yeahhh mmmmmm  
love was here only yesterday  
now it's gone to stay  
what we thought was gonna bind us  
is all behind us  
1 by 1 my tears will fade  
the history we made  
though there was time to see the sun

what's done is done ooooo  
what's done is done heyyy  
what's done is done

you're in doubt your head is cloudy  
your heart made it clear what you wanted to say to me  
you kept it all in fear  
there's so much misunderstanding  
the messages we sent  
would have been right here together  
if we didn't pretend  
if we didn't pretend nooo mmmm  
what's done is done

i can feel the rain pour all over me  
i can feel the sun drying me  
i needed you so much you completed me  
but you can not be with me

what's done is done heyyyyy yeaahhhh  
what's done is done ooooooo  
what's done is done ohhhhhhhhhh

time to say goodbye ohhhh  
mmmmm yeah
