1. you told me that you loved me,
like a fool i believed every word you said,
you said we'd walk through time together,
nothing but rainbows and blues skies ahead;

2. you told me that you loved me,
that we'd be together for all eternity,
but your crime has been found out,
and of this there is no doubt,
i find you guilty in the 1st degree;

first chorus:

i find you guilty in the 1st degree,
guilty of messin' over me,
i find you guilty in the 1st degree,
you killed our love and that's a felony,

first bridge:

i trusted you when you said we'd never
part,
first you broke your promise the you broke my heart,
i find you guilty;

3. you told me that you loved me,
like a fool i believed your every word,
you told me that you loved me,
then you flew away just like a mocking bird;

4. you told me that you loved me,
and i trusted you just like a fool,
but when you broke my heart, you went a bit too far,
so step up, step up, step up and face the bar:

second chorus:

i find you guilty in the 1st degree,
guilty of messin' over me,
i find you guilty in the 1st degree,
you killed our love and that's a felony,

solo

second bridge:

you robbed me of my dreams and forced me to
survive,
you killed the love we had, but iÃ¢â¬â¢m still
alive;

repeat first chrous
