1.) my baby, my baby don't like rock & roll
my baby, my baby don't like rock & roll
she needs some down home blues, with a funky beat,
to make her move her body and move the feet,
my baby, my baby don't like the rock & the
roll;

2.) my baby, my baby don't like rock & roll
my baby, my baby don't like rock & roll
she needs to feel that rhythm and feel them blues
from the top of her head to the sole of her shoes
my baby, my baby don't like the rock & the
roll;

bridge
rock & roll came from the blues,
but along the way, it lost the groove,
people jumpin' round, like a
jack in the box,
she needs that music that rocks ya socks,
she needs the blues;
solo

3.) my baby, my baby don't like rock & roll
my baby, my baby don't like rock & roll
she needs the blues, she needs the blues,
to sooth her soul, my baby don't like rock &
roll;

adlib out:
my baby don't like rock & roll, ,
she needs the blues to sooth her soul,
when she hears thw blues, people stop and stare,
eyes on the dance floor everywhere,
backfield in motion when she walks,
i love to watch my baby's body talk,
my baby don't like rock & roll:
