now there's a place where we can go,
where you don't have to spend, none of
your dough,
anything you want, you know that it's free,
so come along people, and follow me,
it's alright, all night, on the party train;
bridge:

no more partying out on the street,
now we got a place where we all can meet,
get down, party down all night,
get down and party down until the morning light;

2.) a real good time is what you're gonna
have,
don't worry about nothin',
cause i've got the tab,
we're gonna lift you up so you can party
down,
move your body to the soulful sound,
it's alright, all night, on the party train;

go to bridge

3.) so get your lady don't cha',
waste no time,
come get on board, let's wine and dine,
won't cost you nothin' to get on
down,
this party train thing is the best in town,
it's alright, all night, on the party train;

solo

go to bridge

4.) so get your lady don't cha',
waste no time,
come get on board, let's wine and dine,
won't cost you nothin' to get on
down,
this party train thing is the best in town,
it's alright, all night, on the party train;
