Mario 15 minutes

15 minutes

Excuse but I was wondering when you were gon speak
cause I saw you looking
Back to the wall, talking to all your friends
Thinking out loud "Did he see me again?"
Let me find out, you aint gettin that lovin like you
should
Let me find out that he aint puttin it down like I know I
would
Girl I know just what you're looking for
Girl I know just what you need
Aint you tired of all that foolishness?
Girl you need to be fuckin with me
Come and find out..
What's the real reason why they be runnin they mouth?
Come and find out..
What's all that hoopla?, what's all the buzzin about?

Cause Baby
You can get it, you can get it
Tell me
Just say the word and I'm gon give it
Now I'm not wasting your time, running my mouth,
selling lines
Just saying what's on my mind

Chorus:
If you give me 15 minutes, I'll make you feel like a
Woman tonight
All I need is 15 minutes to take you on the ride of your
life
Baby all I need is 15 minutes, any more than that would
kill the vibe
Cause I'll bet you after 15 minutes, you'll need another
15...another 15 minutes of love

It's bout to get crazy, bout to go down (down, down,
down)

Seems like you're ready for the first round
Hope you can handle what I give out
They say the scandal used to go round this town now
Baby hold onto me, don't let go
Don't act shy now
Promise you'll be back beggin for more
I'm throwing that D (throwin it, doin it), yes I'm doin my
thang
You looking back like I'm crazy deranged (Ooh, oh)
Told the deal, told you this aint a game
You screamin out like you goin insane (Oh)
Finally gettin what you deserve
You can't breathe now
Giving you all of me, that's my word

Cause Baby
You can get it, you can get it
Tell me
Just say the word and I'm gon give it
Now I'm not wasting your time, running my mouth,
selling lines
Just saying what's on my mind Baby

Chorus:
If you give me 15 minutes, I'll make you feel like a
Woman tonight
All I need is 15 minutes to take you on the ride of your
life
Baby all I need is 15 minutes, any more than that would
kill the vibe
Cause I'll bet you after 15 minutes, you'll need another
15...another 15 minutes of love

Chorus:
If you give me 15 minutes, I'll make you feel like a
Woman tonight
All I need is 15 minutes to take you on the ride of your
life
Baby all I need is 15 minutes, any more than that would

15...another 15 minutes of love
