This is the hardest moment of my life
I never thought we would be saying goodbye
It ain't your fault girl it ain't mine
Unfortionaly we're just victims of time

[Chorus]

Girl you should go left and I will go right
We wasted enough time
But I think we should kiss
So we can take it with us to play in our minds
And if you feel a tear falling on your lips
Then girl that would be mine
Cause I'm a man that ain't afraid to cry
See a man that ain't afraid to cry is a man that ain't
afraid to die

We can stay together play made-believe
Or hurt like hell for a while but one day be happy
There's somebody for you who do what I don't
And hopefully I'll meet the girl that makes me wanna
love again

[Chorus]

Girl you should go left and I will go right
We wasted too much time

But I think we should kiss
So we can take it with us to play in our minds
And if you feel a tear falling on your lips
Then girl that would be mine
Cause I'm a man that ain't afraid to cry
See a man that ain't afraid to cry is a man that ain't
afraid to die

And I'm crying baby
I don't care who's watching baby
I'm crying like lalala
Girl I can't change the past?

[Chorus]

Girl you should go left and I will go right
We wasted too much time

But I think we should kiss
So we can take it with us to play in our minds
And if you feel a tear falling on your lips
Then girl that would be mine
Cause I'm a man that ain't afraid to cry
See a man that ain't afraid to cry is a man that ain't
afraid to die
